AFX

Ideal LED Overbed
IDB Series

Features

Contemporary LED wall mount senior care overbed light. Choose from distinctive faux wood panels with a brushed nickel accent or brushed nickel finish. White frosted acrylic diffuser. The Ideal provides both ambient and task light with a four way pull switch, standard (120 volt only).

Construction

The wiring channel is formed from 22-gauge steel and is provided with mounting slots and wiring access. An internal divider provides separate lamp compartments for controlled up light and down light. Fixture can mount horizontally only. Power connections can be made in the fixture wiring channel or in a standard junction box (not included).

Finish

All faux wood parts are finished high gloss stained in light oak or mahogany. All metal parts are finished in plated brushed nickel. Internal housing is finished in a lighting grade baked white enamel.

Diffuser

Diffuser is white frosted acrylic, 0.090" thick. Frame mounts to electrical channel with two decorative screws.

Electrical

Input 120VAC / 60 Hz.
Not compatible with dimmers.
Integrated four position pull switch (on up, on down, on both, all off) and single pull switch for nightlight.
