

Assembly Instruction Sheet #IS-8003P18 For Style 8003P18

Tools Required: Flathead screwdriver, Phillips screwdriver, wire cutters, wire stripper, electrical tape, safety glasses.
Light Source: (9) E12 Candelabra Base Bulbs 60W Maximum.
Estimated Assembly Time: 20-30 minutes
Preparation: Identify and inspect all parts before beginning installation. Check packaging content list and diagrams below to be sure all parts are present. If any parts are missing or damaged, do not attempt to assemble, install, or operate the fixture. Contact customer service for replacement parts.

⚠ Warnings and Cautions
 Turn off electricity at circuit breaker or main fuse box before beginning installation. Consult a licensed electrician if in doubt. These instructions are provided for your safety. It is very important you read them completely before installing the fixture. We strongly recommend that a licensed, professional electrician perform the installation. Disconnect fixture from power source before replacing bulbs. Make sure bulbs are given sufficient time to cool before removal.
